Pike Youth Basketball League

We can't wait to see all of the talented young basketball players in Pike Township under one roof. The Boys 2-Day Camp allows the Pike High School coaching staff to see the best athletes who will be in **grades 3, 4, 5 and 6 in August 2021**. The camp dates are June 28th and 29th at Pike High School. Camp time will run from 6:30 pm to 8 pm each day. Pike varsity coaches will run the event. They look forward to helping our boys work on skills and development.

Registration is **FREE!** However, we only have room for 50 boys from each grade level. Reserve a space for your child by signing up at www.pikeyouthsports.com.

The PYBL Boys 3-4 and Boys 5-6 Divisions feature eight teams with 8 to 10 players per roster. Two coaches per team. Two full court practices per week. Each practice is 1-hour or 1-hour and 15 minutes. The head coach receives a coach's bag, two basketballs, cones, mesh practice jerseys, clip board and agility ladder, if available. First game is November 20, 2021. The first practice is two weeks before first game. Coaches must complete the Pike Youth Sports background check, the FREE coach's application and attend the annual PYBL Coaches Workshop.
